DESCRIPTION

Perfectly positioned on the shores of Richland Chambers Lake, this inviting waterfront home is designed for easy lake living and peaceful water views. Tucked away on a quiet peninsula, the property offers 119 ft of shoreline with a steel retaining wall and water steps already in place—ideal for relaxing by the water and ready for a future boathouse. The exterior showcases a fresh modern farmhouse aesthetic, complemented by a 3-car garage offering ample space for vehicles, lake toys, and everyday lake essentials. Inside, 3,402 sq ft of thoughtfully designed living space includes four bedrooms and four bathrooms. Hardwood floors extend through the main living areas, while the open layout is filled with natural light. The kitchen blends style and function with white shaker cabinetry, quartz countertops, farmhouse sink, subway tile backsplash, and a large island ideal for casual meals or entertaining. It flows into the dining area, where expansive windows and a statement chandelier set the stage for everyday dining or special occasions. The living room is a focal point, featuring a stone fireplace and walls of windows framing tranquil lake views. Step outside to the patio and attached sunroom—perfect for morning coffee, evening relaxation, or year-round enjoyment. Upstairs, two generous family or game rooms provide flexible space for movie nights, hobbies, or guest accommodations. A discreet storage area beneath the staircase keeps the home organized. Both refrigerators, plus the washer and dryer, are included so you can move in and enjoy lake life immediately. For added convenience, the home includes a lake pump and whole-home water filtration system. A fenced dog yard with sleek black metal fencing provides a secure, unobtrusive space for pets while complementing the modern farmhouse design. With high-end finishes, flexible living space, and a prime waterfront setting, this home is ideal for full-time living or a weekend retreat on Richland Chambers Lake.
