## DESCRIPTION

Spacious and versatile, this beautiful 6 bedroom, 5 and one half bath home offers room for everyone and everything. Designed with a thoughtful split floor plan, the home features a large kitchen that serves as the heart of the home, perfect for gathering and entertaining. Enjoy the flexibility of two living areas and two dining spaces that provide plenty of room for both everyday living and hosting family and friends. The home includes a generous utility room and abundant storage throughout. Upstairs you will find a private retreat complete with a guest suite, dedicated office with a half bath, and an impressive media room featuring its own kitchenette, making it ideal for guests, work from home needs, or multi generational living. Step outside to enjoy a large outdoor patio that leads directly to a beautifully landscaped pool, creating the perfect setting for relaxing evenings or entertaining guests. The outdoor space offers comfort, privacy, and a seamless extension of the home. In addition to the main residence, the property features a great storage shed as well as an additional oversized shed large enough to park recreational vehicles, equipment, or all your toys. As an added bonus, this property includes an additional lot located across the street, providing extra space and flexibility for future possibilities. This well designed property offers the perfect combination of space, functionality, and outdoor enjoyment in a setting that truly feels like home.
