DESCRIPTION

Escape to your own Lake Paradise in this LARGE home on Cedar Creek Lake, made for entertaining family and friends. This 3743 sf home sits on two lots, built from set-back to set-back. Enjoy the cool lake breeze on 160' of shoreline in a large backyard with many places to enjoy. Look over the lake by the fire pit, on the boat dock, or cool off under the huge oak tree by the 3 level koi pond. Boat dock has electric lift (with remote) for boat, and an electric lift for jet ski. Home in a DEEP channel right off the open water, so safe for swimming and bird watching. The home has a large stone deck (no maintenance) with a dining space and covered rest and relax area. Freshly painted, inside and out. The home has a great floor plan with the primary bedroom on one side, and 3 guest rooms on the other end of the house, all with new carpet. The heart of entertaining is a great room with expansive windows, and a game room with pool table and attached bar area. The eye popper of the great room is the circular stone fireplace visible from all the spaces... it lights with a twist of a button with propane and artificial logs. Surround sound equipment and TVs throughout the house will stay. The kitchen is bright and colorful with an granite island that seats up to 6, lots of storage, and 2 refrigerators. The wet bar has a mini refrigerator, sink and divides the great room and dining room. The primary bedroom is a large suite with a fanciful bathroom, with separate shower and tub. French door access to the swim spa on the back trek type deck. Full size utility with washer dryer and deep freeze. Huge multi-use living space at the porte cochere entrance. Separate 593 sf room on the other side of the garage with water and electricity. RV hookups in front. Saloon style outdoor playhouse, and shed. Irrigation system from lake. This home has been in the same family for over 20 years, and it's time to share this lakeside haven with another family. TURN KEY to enjoy this summer!
