Stunning Custom Home on Nearly 2 Acres in Lake Ridge Did you say 3 Car Garage!! Welcome to this exceptional custom-built home nestled on almost 2 acres in the highly sought-after Lake Ridge community. From the moment you step through the grand entrance, you'll immediately appreciate the immaculate condition of this beautifully maintained property, built just 7 years ago with quality and longevity in mind. Thoughtful planning and extensive research went into every detail—starting with the engineered foundation, designed with multiple piers beneath the slab and backed by a 30-year warranty, offering peace of mind and structural integrity. The home's layout was intentionally designed for seamless flow and everyday functionality. A standout feature is the bedroom-sized dressing room off the primary suite, which connects to the oversized laundry room—blending luxury with practicality. The spa-inspired ensuite bath is equally impressive, featuring a two-person walk-in shower, a relaxing soaking tub, and built-in cabinetry. Throughout the home, you'll find a beautiful combination of wood, tile, and carpet flooring, adding warmth and character to each space. The chef's kitchen is a dream, equipped with a propane gas cooktop, electric double ovens, and a generous walk-in pantry—perfect for daily living and entertaining. For gatherings and recreation, the spacious game room includes a stylish bar area and room for a full-size pool table or other entertainment pieces. Step outside to one of the home's most captivating features—the expansive covered patio overlooking the serene property.
