DESCRIPTION

Experience resort-style living in this beautifully crafted, custom home located directly on Sky Creek Ranch Golf Club. Sited on a manicured .28-acre lot in Creekwood at Hidden Lakes, golf enthusiasts will appreciate this picture-perfect residence with serene fairway views. At first glance, one will notice the attention to detail with a brick-lined lead walk, a traditional covered porch with cedar columns and meticulous landscape. Designed with 3819 square feet, the home blends classic architecture with high-end upgrades including hand-scraped hardwoods, ornate trim, custom built-ins and more. The functional, two-story floor plan presents a dedicated study, a formal dining room, an oversized family room, a chef's kitchen with breakfast area, four bedrooms, three full baths, game-media and bonus rooms, utility area and a three-car garage with insulated doors. As one is welcomed into the inviting foyer, they will find a hallway flanked by a stately study and an elegant dining area. The hallway leads to a grand family room with expansive windows allowing for breathtaking backyard views. The chef's kitchen, perfect for hosting, offers a center island, granite counters, breakfast bar, stainless steel appliances including a six-burner gas cook-top, 42-inch oak cabinetry and a breakfast nook before windows. With two bedrooms located on the first level, the thoughtfully planned first floor layout separates the primary suite from a private mother-in-law suite with a handicap accessible bathroom. Outside the sun-soaked backyard is an entertainer's paradise with magazine worthy golf course views and an extended patio overlooking a sparkling pool-spa with waterfalls. Key improvements include fresh interior-exterior paint, upgraded carpet, replaced HVAC units, Radiant Barrier insulation, an abundance of storage, instant hot water and more. Feeding the award-winning Keller ISD, this home is located a short distance to DFW International Airport, local eateries and upscale shopping.
