DESCRIPTION

Nestled in the prestigious Trinity Heights community, this updated residence offers privacy and sophistication. Featuring 3 bedrooms, 3.5 bathrooms, and an adaptable room that can be used as a bedroom or office, this home combines comfort with elegant design. The open-concept layout includes two living areas and two dining spaces, ideal for both entertaining and daily living. A 2021 renovation transformed the kitchen, with custom cabinetry, quartz countertops, a large island, and premium appliances, including a Monogram gas range and KitchenAid suite. Rich wood floors flow through the main level, complementing the bespoke wet bar and reimagined fireplace. The guest and powder baths have been fully updated. The spacious primary suite features a redesigned layout, allowing for an additional bedroom or office. The ensuite bath offers a glass-enclosed shower and timeless finishes. Behind the scenes, the home has been upgraded for both style and function: all three HVAC systems have been replaced (2016, 2017, 2025), dual water heaters were added in 2020, and LED lighting was installed throughout. Ceiling fans were updated, and a main water shut-off valve added in 2025. Additional updates include cleaned A-C vents and trimmed mature trees (May 2025). Custom window shades, installed in 2021, provide privacy and polish. With unmatched privacy, easy access to shopping and dining, and move-in-ready condition, this home presents a rare opportunity for the discerning buyer.
