Bloomfield's Magnolia II is a stunning and thoughtfully designed two-story home situated on a desirable interior lot, blending beauty and functionality with exceptional craftsmanship and a classic brick and stone façade enhanced by elegant exterior lighting and complemented by gutters for a polished finish. The 8' Front Door, one of several 8' doors found throughout the home, creates an elegant first impression, opening to an open-concept layout perfect for entertaining and everyday living. The Gourmet Deluxe Kitchen shines with upgraded countertops, stainless steel appliances including a double oven, pot and pan drawers, and a custom wood vent hood, while an abundance of Quartz surfaces adds both elegance and utility. Three covered outdoor spaces—including a balcony off the front elevation, a charming front porch, and a covered back patio extended for even more space to unwind—offer stylish and functional areas for relaxation.
