From the moment you step inside the Amos, you'll notice how effortlessly it separates spaces while keeping everything connected. Designed across three levels, this home creates distinct areas for privacy, entertainment, and relaxation. The first floor gives you flexibility, with two bedrooms tucked away alongside a full bath—great for guests, a home office, or even a private retreat. As you head upstairs, the main living area is where everything comes together. The kitchen, dining, and family room flow effortlessly, creating a comfortable hub for both quiet evenings and lively gatherings.
