DESCRIPTION

This stunning three-story corner townhome, barely lived in and immaculately maintained, is nestled in an unbeatable Dallas location near Baylor University Medical Center. Ideal for new residents or medical professionals in fellowship, this home offers convenience, style, and comfort with views of the downtown Dallas skyline. As you step inside, you're greeted by an abundance of natural light streaming through expansive windows, beautifully complementing the real wood floors throughout. The primary suite offers a luxurious bathroom with dual sinks, a freestanding tub, and a walk in shower. Recently installed custom roller shades provide both functionality and elegance, and blackout shades in the primary bedroom ensuring restful nights. These thoughtful additions stay with the home, adding to its immediate move-in appeal. The first floor includes a spacious bedroom with an en-suite bath, offering flexibility for use as a private guest suite or a convenient home office space. On the second floor, a cozy fireplace creates a warm ambiance in the living room, perfect for relaxation or entertaining. The sleek, modern kitchen features ample cabinetry and storage, a large island with bar seating, and is designed for both functionality and style, making it a delight for cooking enthusiasts. Dining area adjacent to the kitchen.
