DESCRIPTION

Urban custom-redesigned home truly stands out. It beautifully blends modern and rustic finishes, offering a unique living experience. This home is designed for both functional living and lavish entertaining. As you enter, you're greeted by an art gallery-style entrance that leads to a private outdoor oasis with a sparkling pool. The kitchen is a chef's dream, featuring a commercial 6-burner gas cooktop, ample cabinet space, and an oversized island with Carrera marble, all with views of the living area and outdoors. Plus, there's a convenient coffee bar in the breakfast nook. For flexible living arrangements or exceptional guest accommodations, there's a primary bedroom on each level. The first floor also includes a private third bedroom with an ensuite bath, tucked away behind the kitchen, which could easily serve as an office. Additionally, a versatile flex space at the entrance is perfect for an art exhibit, study, or play area. Upstairs, you'll find even more space to spread out in the large living area. Beyond its impressive design, this home boasts a fantastic location, incredibly close to Love Field, UT Southwestern, Parkland, and Children's Medical Center, with plenty of shopping and dining options nearby.
