DESCRIPTION

Nestled in one of the Dallas–Fort Worth area’s most exclusive gated communities, this stunning and authentic English Tudor estate is a rare find. Formerly a *Parade of Homes* showcase, this residence offers over 6,600 square feet of timeless elegance and luxury. From the moment you arrive, the home's distinctive exterior makes a lasting impression. Clad in antique brick repurposed from a historic Southern Methodist University building in Dallas, it exudes rich heritage and architectural character. Step through the grand entrance into a world of thoughtful craftsmanship, where vaulted ceilings with exposed wood beams, Juliet balconies, and hand-distressed hardwood floors create an atmosphere of classic charm and sophistication. At the heart of the home lies a true chef's kitchen, featuring a large eat-in island, custom knotty alder cabinetry, and exquisite Taj Mahal quartzite countertops. Entertain in style with a recessed wine grotto, or unwind in the underground home theater for a private cinematic experience. The luxurious main-floor primary suite is a peaceful retreat, complete with a cozy sitting area, a spa-inspired ensuite bath, and a dramatic two-story, boutique-style closet. A private guest suite with its own full bath, a designer powder room, and a two-story executive study complete the first floor. Upstairs, you'll find three spacious bedrooms, three full bathrooms, a game room with a wet bar, a covered balcony, and a secondary laundry room for added convenience. Step outside into your own private resort, where a heated pool and spa with tranquil stone water features create a serene escape. The fully equipped outdoor kitchen and open-air living area—complete with a cozy fireplace—are perfect for year-round entertaining. A stately four-car garage, accessed through a gated porte-cochere, combines everyday convenience with architectural distinction.
