DESCRIPTION

Experience the epitome of contemporary luxury in this breathtaking limestone-clad home, designed by renowned architect Lionel Morrison and built in 2001. This architectural masterpiece offers an exceptional blend of style, comfort, and functionality, located steps from Flippen Park. The first floor features a spacious entry with beautiful marble floors, elevator and stairwell access to the second floor, as well as generously sized secondary bedrooms, each with an en-suite bathroom. The second floor offers open-concept living spaces and dining with tall floor to ceiling windows and sweeping views of Flippen Park. The recently renovated sleek Bulthaup kitchen is equipped with Miele appliances, a dedicated wine refrigerator, and convenient access to a large outdoor kitchen and living area. An oversized primary suite with a spa-inspired en-suite bathroom and a study complete the second floor. The low maintenance backyard is lined in evergreen magnolias for privacy, has a tranquil water feature and gas fireplace — perfect for entertaining. A separate, additional 282 sq ft air conditioned flex space adjacent to the backyard is currently storage, but plumbed and ready to be converted into a guest suite, gym or studio. Additional highlights are pier and beam construction, a large 3-car garage with ample storage, and 3 new AC units for modern efficiency and comfort. This timeless home offers a unique opportunity to live in an architecturally significant home while enjoying the serenity and beauty of Flippen Park. Short walk to Highland Park Village, Bradfield Elementary, and Whole Foods. Schedule your private showing today!
