DESCRIPTION

An extraordinary soft contemporary masterpiece by David Clark Custom Homes, this residence exemplifies impeccable design and craftsmanship. Grand smoked-glass double front doors open to soaring 12-ft ceilings and an awe-inspiring 25-ft ceiling in the main living area. Every detail is curated for luxury and function—from sound-reducing insulation throughout to custom electric window shades and floating bathroom vanities. A dramatic floating staircase with integrated step lighting leads to the upper-level living spaces, highlighted by sleek modern lighting. The expansive home office features coffered ceilings, creating a sophisticated workspace. The gourmet kitchen stuns with a massive 13-ft island that seats eight, Dacor appliances, dual dishwashers, a wine fridge, a built-in refrigerator, and elegant LED accent lighting. A dedicated dog wash adds convenience in the utility room. The serene primary suite boasts rich wood floors, a fireplace, and a custom walk-in closet with an island. Its spa-inspired ensuite includes dual rain heads, wall-mounted showers and a coffee bar with mini fridge. The living room overlooks a lush, tree-lined backyard with a spectacular 26'x40' resort-style pool, spa, fire bowls, and water feature. A travertine patio, outdoor fireplace, motorized blind, and integrated plant drip lines complete the oasis. The 3-car garage impresses with an enamel floor, Tesla charger, storage systems, and attic lift. Walk to top-rated schools. Some furnishings available for sale. Mortgage savings may be available for buyers of this listing.
