DESCRIPTION

Some homes check boxes... this one makes a statement the moment you walk in. This strikingly renovated residence at The Ritz-Carlton Dallas delivers a rare blend of tailored luxury & effortless sophistication in the heart of Uptown. A marble Entry leads into sunlit interiors with hardwood floors, 10-ft ceilings & operable windows that bring the city to you. The corner Balcony steals the show, offering panoramic views of Uptown & the Trinity Corridor, equally suited for quiet mornings or evening cocktails. The island Kitchen is designed to impress without trying too hard: handcrafted cabinetry, Taj Mahal marble counters & backsplash & a full suite of Sub-Zero & Wolf appliances including a dual-fuel range, paneled refrigerator, warming drawer, wine refrigerator & ice maker. Entertaining here is expected, not optional. European moldings, Corinthian columns & a French carved marble fireplace lend a refined, collected feel, like a chic apartment tucked away in Paris. The spacious Dining Room opens to the balcony, creating a seamless flow for hosting on any scale. The Primary Suite is unapologetically indulgent, featuring dual marble Baths connected by an oversized shared shower, your own private spa ritual. A jetted soaking tub, dual vanities & water closets & two walk-in closets complete the experience. The split Guest Suite offers privacy & flexibility, with its own entrance option, walk-in closet & marble bath. A discreet Powder Room & secure valet package area add thoughtful convenience. Residents enjoy legendary white-glove service: concierge, valet, doorman, room service, state of the art fitness center & a full-service Ritz-Carlton Spa, plus dining at #1 rated Fearing's Restaurant. With Klyde Warren Park, American Airlines Center, the largest contiguous urban Arts District in the US, the Katy Trail & myriads of Dallas' finest restaurants just steps away (93 walk score) & easy access to major highways. This is Uptown living at its most polished & curated.
