DESCRIPTION

Rare opportunity to own a private lakefront retreat on the quiet north-east side of Eagle Mountain Lake. This property offers approximately 150 feet of shoreline on a 1-acre lot, providing space, privacy, and beautiful sunset views over the water. The 4-bedroom, 3-bath home (approx. 2,287 sq ft) is designed for relaxed lake living, whether as a full-time residence or a weekend escape from the city. Enjoy boating, fishing, and kayaking directly from your private dock, or relax by the pool and sauna after a day on the water. The property includes generous outdoor space, mature trees, and multiple areas for entertaining family and guests. With its acreage and waterfront location, the home offers a rare combination of lake access, privacy, and open space not often found this close to Fort Worth. Located approximately 35–40 minutes from Fort Worth, the property is ideal as a weekend lake house, retirement retreat, or potential investment property. Waterfront properties with this amount of shoreline and land on Eagle Mountain Lake are increasingly rare. 3D tour available online.
