DESCRIPTION

SHOW STOPPING VIEWS OUTSIDE CITY LIMITS IN A CUSTOM HOME WITH A DETACHED APARTMENT AND A WORKSHOP ON JUST OVER 11 ACRES... do I really need to say more?? No, that pretty much tells you this. is. the. ONE. But I'll tell you some of my favorite things just to top it off! The winding gravel drive up to this property makes you feel like you're escaping the world and into your own relaxing paradise! The main house features CUSTOM, unique features every turn you make. The posts are from trees cut and finished from the property itself adding in a character you can't get anywhere else, the cabinets are handmade, durable, and functional! You'll notice the space on the side of the massive kitchen island are even used to max ability! WINDOWS everywhere let the natural sunlight in and the views to be seen from anywhere inside or out. Outdoors is one of my favorite places to be and this home features both front and back porches and a balcony that can NOT be beat! Go downstairs from the main floor and you'll find an area that is built extremely sound resistant, allowing kids or teens to play while the main floor is peaceful and homey. Add in the 2 bed, 1 bath detached apartment with washer and dryer hook ups for revenue or extended family PLUS the ~3000 square foot workshop and you just can't ask for anything else!
