## DESCRIPTION

Welcome to 4923 Homer Street, an architecturally modern new construction home offering the perfect blend of luxury, functionality, and urban living. This three-story residence features 4 spacious bedrooms, 5 beautifully designed bathrooms, and a 2-car garage, all thoughtfully crafted with contemporary finishes and an open-concept layout, completing in May 2026. Step inside to soaring ceilings, expansive windows, and a light-filled living space that flows seamlessly into the gourmet kitchen and dining area—ideal for both everyday living and entertaining. The kitchen is designed to impress with custom cabinetry, a large island, gas stove sleek quartz countertops, and stainless steel appliances conveniently located on the first floor. The first floor includes the living room with a fireplace and half bath. Upstairs, the primary suite serves as a modern retreat with a spa-inspired bathroom, oversized shower, dual vanity, and generous walk-in closet. Accompanied by a game room, laundry room and a half bath. The top floor hosts the additional bedrooms and two full bathrooms featuring plenty of natural light. Outdoor living is maximized with a covered kitchen patio and fenced backyard—perfect for relaxing or hosting. Energy-efficient systems, modern exterior design, and premium finishes inside and out make this home truly stand out. Located minutes from Downtown Dallas, Deep Ellum, and major highways, this home provides unbeatable access to dining, entertainment, and city conveniences. Now accepting pre-sale inquiries!
