DESCRIPTION

Gorgeous, fully updated home situated on 1.7 stunning acres in a highly desirable area of Kennedale. Surrounded by mature trees and natural beauty, this property offers exceptional privacy and a serene setting. The home has been completely updated inside and out. Updates include a brand-new roof, new air-conditioning unit, luxury wood vinyl plank flooring, plush new carpet, quartz countertops throughout, designer lighting, new faucets, and thoughtfully selected finishes at every turn. The result is a beautifully modern, move-in-ready home with an elegant and timeless feel. In addition to the main residence, the property includes an impressive approximately 3,184 sq ft workshop plus office area equipped with electrical & plumbing access. The workshop needs some work and is being sold as-is, offering a fantastic opportunity for customization or business use. A rare combination of acreage, privacy, and high-quality updates—this property is truly stunning and a must-see.
