A full acre of land, a brand-new build, and the kind of layout that fits real life. Inside, the open living area is warm and inviting with coffered ceilings, a floor-to-ceiling brick fireplace, and natural light that makes the whole space feel bright and comfortable. The kitchen is exactly where you'll want to gather, with a large granite island, custom vent hood, walk-in pantry, and plenty of room for cooking, hosting, or just enjoying a slow morning. The primary suite feels like a true retreat with a soaking tub, walk-in shower, dual vanities, and a huge closet that connects conveniently to the laundry room.
