DESCRIPTION

Just outside the Cleburne city limits sits the kind of property people hope to find but rarely do. This inviting 3-bedroom, 2-bathroom home is set on nearly 5 fully fenced and cross-fenced acres, offering the perfect mix of privacy, peaceful country living, and practical functionality. Step inside to a spacious living room with tall ceilings and large windows that bring in an abundance of natural light. The open feel of the space is warm and welcoming, anchored by a wood-burning stove—currently disconnected but ready to be reinstalled for cozy nights and winter storms alike. The home's layout provides comfort and flexibility, with three well-sized bedrooms and two full bathrooms. The primary suite serves as a quiet retreat, while the secondary bedrooms and shared bath offer plenty of room for family, guests, or a home office setup. Outdoors, the property truly shines. With 4.99 acres to make your own, there's ample room for animals, gardening, recreational use, or future expansion. The large shop is an exceptional bonus, complete with electricity and water access—ideal for a workshop, equipment storage, livestock, or hobby projects. Whether you're dreaming of space to spread out, a place for animals, or a peaceful setting to come home to each day, 1610 Highland delivers the lifestyle you've been looking for while keeping you close to Cleburne's amenities, schools, and major roads.
