DESCRIPTION

This elegant home is located in the Williamsburg Estates community, where the Bear Creek Trails begin. It is situated on a picturesque corner lot with mature trees. It was the personal home of one of the neighborhood builders. As you enter, you are greeted by the warmth of wood floors and built-ins in the Formal Living Room and handsome Study! The Formal Dining Room is also off the Entry and overlooks the front yard. There are three fireplaces, which are located in the Formal Living Room (gas logs), the Family Room (wood burning), and the Study (gas logs). French Doors lead from the Living Room to the Family Room and Kitchen. The updates in the Kitchen include Granite Counters, Bosch Dishwasher, Bosch induction and vent cooktop in the island, ice maker built in the cabinet, and wine fridge. Other updates include roof and gutters in 2019 and downstairs HVAC inside and outside in 2019. The Family Room also features built-ins and overlooks the pool. There is a full bath off the kitchen. The private and spacious Owners Retreat includes a remodeled Primary Bath with glass shower, white granite counters, mirrors, and re-surfaced jetted tub. Wonderful spacious closet and a separate cedar closet! Upstairs, you will find 3 bedrooms, 2 baths, and a game room. The game room features a built-in bar with a drink fridge. Also, you will love that there are TWO UTILITY ROOMS! One upstairs and one downstairs! There is an opportunity for future expansion. The walk-in attic above the garage has been partially finished. It would be a great space for a playroom, an exercise room, or a craft room! Step out the back, and the magic begins! The backyard is an entertaining dream! The inviting diving pool is a larger size. The Spa is separate. It is absolutely luxurious with a tall wall waterfall. Best part - IT SEATS 8! The patio is nice with a grill (replaced in August) and a smoker. Explore the yard, and you'll find the playhouse! Come and see everything this home has to offer!
