## DESCRIPTION

Welcome to 2004 Huntersridge Dr, a beautifully upgraded 2022-built (2023-occupied) single-story home offering 2,816 sq ft of thoughtful design and modern finishes throughout on a spacious 60ft lot. The Taylor Morrison Garnet floorplan blends open concept living with well-planned private spaces. Tall ceilings, wood flooring, and abundant natural light enhance the gathering room, complete with a raised ceiling and elegant fireplace. A standout feature is the impressive 9x8 three-panel sliding patio door that expands the living area to the private covered patio, creating a seamless indoor-outdoor experience perfect for relaxing or hosting guests. The gourmet kitchen is appointed with upgraded stove, gorgeous Encore backsplash, generous cabinetry including additional storage near dining, and an inviting island ideal for meal prep or conversation. A dedicated study offers flexibility for remote work or quiet tasks, while the additional flex room can serve as a media area, lounge, game zone, or creative space. All bedrooms are comfortably sized with excellent layout separation, promoting restful privacy for the primary suite, which features a drop-in corner tub, separate shower, and walk-in closet. The three-car garage includes epoxy flooring and overhead storage racks, supporting organization for vehicles, hobbies, or seasonal items. Permanent exterior lighting adds evening curb appeal, and the spacious 60 ft lot feels open yet private. Sellers appreciate the large slider, well-connected living spaces, natural light, cabinet upgrades, and flexible room options that make daily life convenient and enjoyable. With approximately \$45K in upgrades, this home stands out in Wilson Creek Meadows as a move-in ready opportunity combining design, comfort, and quality craftsmanship. Enjoy nearby community amenities, walking paths, and convenient access to shopping, dining, and major routes. Bundled service pricing available for buyers.
