Custom-built by Gardner Custom Homes, this stunning transitional residence is a showcase of refined luxury, cutting-edge design and unparalleled craftsmanship. A dramatic iron glass door opens to soaring 11' ceilings, clean modern lines and warm luxury textures—flooded with natural light and layered in rich designer detail. Every element is curated: from the white oak floors and floor-to-ceiling windows to Phillip Jeffries wall coverings, Restoration Hardware lighting, Sonos sound system plus marble, leathered granite and designer tile accents. The seamless indoor-outdoor flow elevates both daily living and entertaining. At the heart of the home, the open-concept great room, with its striking Calcutta marble fireplace and dramatic leathered-granite wet bar, seamlessly flows to the dining room and chef's kitchen—complete with an immense marble island with seating for 4, abundant custom cabinetry, leathered granite perimeter counters and premier SubZero, Wolf & Asko appliances. Expansive sliding glass doors open wide to the covered terrace, creating a true indoor-outdoor sanctuary ideal for hosting or unwinding. Also on the main level: a serene guest suite with stylish bath and an intimate study wrapped in Phillip Jeffries grass cloth & a remarkable Fort Knox walk-in vault room—perfect for valuables or as a tornado shelter. Upstairs, 4 ensuite bedrooms, a vaulted library & generous game room await. The luxurious primary suite is a private retreat, featuring a sitting area, boutique-style closet & an immense Carrara marble spa bath. Outside, the backyard is a true resort-style escape. A covered terrace with bar sink & Lynxx grill overlooks a SYNlawn turfed yard with putting green & a sparkling pool. Add'l amenities: oversized attached 2-car garage & LUMA Surveillance cameras.
