From the moment you arrive, this beautifully updated home makes a statement. Situated on a prime corner lot in Buffalo Creek, the circular drive & oversized 3-car garage with abundant storage offer both impressive curb appeal and effortless parking for family gatherings & entertaining. Step inside & you're greeted by a soaring entry & elegant wrought-iron staircase. The heart of the home is the recently updated kitchen: Quartz countertops & backsplash, wood floors, and a striking statement fixture over the expansive island create a space that's as functional as it is beautiful. A six-burner gas cooktop, double ovens, built-in refrigerator, plantation shutters & a walk-in pantry make this kitchen a dream for both everyday living & hosting. The kitchen opens to the breakfast area & spacious family room, anchored by a stone fireplace & wood flooring.
