DESCRIPTION

Exceptional Opportunity: Turnkey Remodeled Dual-Home Retreat on 3 Acres. ABNB ready. Two virtually remodeled and repainted exterior photos are added—and clearly marked—to help recognize the huge potential. Discover a rare and versatile property featuring two completely remodeled single-story homes with a sparkling pool perfectly situated between them. Sold fully furnished, this retreat includes everything needed for immediate enjoyment or income production—right down to all dishes, cookware, linens, a pinball machine, and an air hockey table. Designed to comfortably sleep up to 12 guests (including sofa sleepers), the layout is ideal for short-term rentals, corporate or business retreat use, or multigenerational living. Each home offers modern finishes, thoughtful updates, and seamless indoor-outdoor living, creating both privacy and connection. Set on 3.14 peaceful acres within a rural subdivision, the property offers space, tranquility, and flexibility rarely found. A fully paid-off bank of 98 solar panels provides exceptional energy efficiency—electric costs are typically limited to the basic service fee. Included is still most of an acre available for a shop or whatever the buyer envisions. Previous contract terminated after buyer requested extensive upgrades and concessions well beyond market norms. Seller has been reasonable and proactive, including addressing major items, and has priced the property to reflect its condition and significant upside. Whether you're seeking a profitable investment, a private family compound, or a unique gathering place for business or recreation, this property delivers unmatched value, comfort, and opportunity—all ready from day one. The owner will consider some seller financing.
