DESCRIPTION

Lodge-style lake home with elevated views and a generous wraparound deck, perfectly positioned in a wide, calm cove with open water views—ideal for swimming, paddleboarding, kayaking, and other water sports. Inside, soaring ceilings, expansive windows, scored concrete floors, and a rustic stone fireplace set the tone for relaxed lake living. The open-concept layout features two bedrooms on the main level and a spacious upstairs primary suite, plus a versatile loft—ideal for extra sleeping space, an office, or game room. The kitchen offers granite countertops, stainless appliances, and custom finishes throughout. The private boathouse includes a party deck, upgraded remote-control lift (designed for a Ski Nautique), and heavy-duty electric swing for a PWC lift. A single-car garage with electric lift adds convenience. The yard is fully enclosed with wrought iron fencing, and the Hardi Board siding mimics cedar for a rustic look without the upkeep.
