DESCRIPTION

Lakefront living at its finest. Discover your dream lake retreat nestled on a sprawling lot, nearly half an acre in size, with 121 feet of frontage backing to Lake Lewisville. This one-of-a-kind property represents a park-like setting with mature oak trees, a secluded fishing cove, with the opportunity to launch your boat or kayak from your backyard. This tranquil oasis combines natural beauty and mid-century modern charm, creating the ultimate retreat for outdoor lovers and a showpiece for those who love to entertain. For the nature enthusiasts, be prepared to see a wide array of aviary species such as blue herons, egrets, ospreys, and pelicans to name a few, right from your covered patio. Inside, you'll be greeted by stunning views throughout the home, complemented by polished porcelain floors throughout, leather finished granite countertops, vaulted ceilings, and a Scandinavian inspired wood burning fireplace. More of thoughtful renovations have been completed over the past 6 years. This recently renovated gem can be your oasis with views of Lake Lewisville from every room.
