715 WINDING BEND CIRCLE

HIGHLAND VILLAGE, TX 75077

\$2,488,456

5,440 sqft

5 beds

5 baths

DESCRIPTION

The front door opens into a breathtaking great room, thoughtfully designed for effortless entertaining. Anchored by an impressive hand-carved wood-surround fireplace and framed by soaring two-story windows with tranquil lake cove views, the space is both grand and inviting. Amid the dramatic scale, one might almost overlook the exceptional craftsmanship—custom wood baseboards and intricate trim details that quietly elevate the room. Designer cased doorways seamlessly connect the great room to the kitchen and family room, creating architectural interest and elegant transitions into the heart of the home. The kitchen strikes a rare balance of warmth and sophistication, featuring a thoughtfully designed rock-surround stovetop that serves as a stunning focal point. Expansive granite countertops provide generous and functional workspace, while custom cabinetry showcases refined carved wood rope detailing. Substantial upper and lower storage includes an appliance garage and a walk-in pantry, ensuring both beauty and practicality. Extending the living space outdoors, the expansive second-floor patio flows directly from the kitchen and family room, offering sweeping lake and pool views. A secondary built-in grilling station adds convenience, making this space ideal for gatherings and al fresco dining. The resort-style backyard is a true private retreat. The pool is accented by natural rock formations and cascading waterfalls, with strategically tiered flower beds creating a gentle slope toward the lake's peaceful cove. Designed for relaxation and enjoyment, the pool includes a sunning ledge, hot tub, and swim-up table positioned at opposite ends. An outdoor kitchen, gazebo, and generous patio seating areas blend modern luxury with natural surroundings, creating a secluded escape. Throughout the home, expansive custom trim, molding, and subtle carpentry details reflect exceptional craftsmanship. This extraordinary home must be seen to be fully appreciated.
