## DESCRIPTION

Welcome to 103 Iron Horse Court, set on 2.5 acres of beautifully treed, park-like land. This exceptional estate offers privacy, space, and thoughtful upgrades in a peaceful country setting. Positioned on a corner cul-de-sac lot in a gated community, the property blends everyday comfort with functionality you rarely find. Inside, the home features an open, well-designed layout with hardwood flooring, granite countertops, and stainless steel appliances. The flexible floor plan includes five bedrooms, with a true owner's suite on the main level showcasing an updated spa-style bath with separate glass shower. A second downstairs bedroom provides ideal use as a guest suite or multi-generational space. A second living space and office complete the naturally lit downstairs space. The backyard is the true showstopper. Surrounded by mature trees, the setting feels private and serene, complete with a covered patio, pool spa combo and room to relax, entertain, or expand. A detached, fully insulated workshop with 220 amp service offers endless possibilities for hobbies, storage, complemented by generous driveway parking and durable, low-maintenance three-board vinyl fencing throughout the property. This is a rare opportunity to own a meticulously maintained property where land, upgrades, and versatility come together effortlessly.
