DESCRIPTION

Rare development opportunity - 6 oversized lots with subdivision potential for increased density. Desirable zoning and superb walkability to retail, dining and entertainment corridors. Minutes to interstate 635 and under 20 minutes to Downtown Dallas. Ideal for urban infill housing, build-to rent or future multifamily conversion. Scarce supply in the micro-market - strong upside as the area continues to infill and appreciate. Seller might consider selling one lot on the corner for 180,000 call agent for details.
