DESCRIPTION

Welcome to 4681 Clydesdale Way—design-forward, move-in ready, and made for entertaining. This 5BR, 5.5BA with office, game room, media room, and mirrored flex studio pairs timeless curb appeal with a resort backyard. A sweeping staircase and statement chandelier introduce hand-scraped hardwoods and a two-story family room with a floor-to-ceiling stone fireplace and wall of windows. The chef's kitchen offers GE Monogram appliances, a 36in gas cooktop with griddle, double ovens, an expanded island with exotic granite, ceiling-height cabinetry with lighted glass uppers, and a butler's pantry with wine fridge. The first-floor primary suite includes a sitting area and spa bath with frameless shower (dual heads and controls), separate vanities, and a California Closet system; all secondary bedrooms are ensuite. Upstairs adds a large game room, projector and screen media room with bar and mini-fridge, built-ins, and expanded walk-in attic storage. Outdoor living features a travertine-tiled covered patio with gas log fireplace, built-in grill and refrigerator, three fans, and a pergola overlooking a custom diving pool, oversized spa, and lush landscaping with a stone retaining wall. Recent updates: TWO new hot water heaters (Jan 2026); Trane HVAC—upstairs 4-ton (Nov 2024), downstairs 5-ton (Oct 2023); whole-home carpet and full interior and exterior paint incl. cabinets (Jan 2025); built-in grill (Feb 2022); patio arbor roof (Oct 2024); Polaris cleaner (Sept 2025) and DE filter (2024); new ceiling fans in primary and patio (Summer 2025). Design upgrades by Traci Connell Interiors include custom window coverings, expanded laundry with sink and cabinets, enlarged primary and upstairs bedroom, upgraded lighting, quartz and granite counters throughout, refreshed downstairs guest bath, floor-to-ceiling studio mirrors, and a garage water line and plug for a second refrigerator. Minutes to shopping, dining, and highly rated schools.
