DESCRIPTION

Completely rebuilt in 2018 by the owner-builder, this modern showcase home features an open, contemporary floor plan with soaring ceilings and designer details throughout. Highlights include a custom-designed front door, striking modern staircase, see-through dining room fireplace, custom kitchen cabinetry, bespoke finishes in every bathroom, and wood flooring throughout. Enjoy outdoor living with a covered front porch, an oversized covered rear deck, and an upstairs open patio with scenic views. The layout offers two bedrooms on the main level, plus three bedrooms upstairs including the primary suite. A quiet, private home office is located downstairs, and two separate living areas provide space for everyone. Energy-efficient features include two tankless water heaters, dual HVAC systems, and rooftop solar panels.
