DESCRIPTION

5621 Salt Springs Dr. is the kind of home that simply works—for real life, real people, and real moments. With 4 bedrooms, 4 bathrooms, and multiple living spaces, this home gives you room to live fully without feeling overwhelming. The open layout keeps everyone connected, whether you're hosting, multitasking, or just enjoying a quiet night in. Right off the entry is a flexible space that can shift with your season of life—home office, dining room, creative space, or whatever you need it to be. Upstairs is where this home separates itself. A game room for everyday fun and a media room made for movie nights, watch parties, and late-night laughs. The primary suite is your retreat, while an upstairs ensuite bedroom offers privacy that's perfect for guests, teens, or extended family. Outdoor space matters here too. Start your mornings on the front patio, wind down in the evenings under the covered back patio, and enjoy having spaces that invite you outside without the upkeep. Set in Marine Creek Ranch, you're surrounded by trails, parks, community amenities, and lake access—yet still close to everything Fort Worth has to offer. This isn't just a neighborhood you pass through; it's one people stay in.
