DESCRIPTION

You'll feel right at home in this gorgeous 1-story design with 5 bedrooms, 3 full baths, 1 powder bath, study and media room. At the front of the home you'll find the laundry and mud room that conveniently connects to the 2-car swing-style garage, as well as the single-car, front-facing garage through a porch access door. On the opposite side of the entryway, there's two bedrooms and a full bathroom which features a walk-in shower. As you make your way through the foyer, you have a spacious media room with the private study across from the extended entry. The open-concept kitchen, family room and extended dining room is an entertainer's dream with vaulted ceilings, an abundance of cabinetry, a large island and a central fireplace. The family room is bright and open featuring a wall of slider glass doors that take you to the extended covered outdoor living area. The main bedroom retreat is privately located at the back of the home and features 2 walk-in closets, dual vanities and a large soaking tub and separate shower. The main suite is spacious and bright with an abundance of windows. Beautifully designed and spacious home to fit all your needs on a single, spacious level.
