DESCRIPTION

Built in 1950, this charming country home was thoughtfully remodeled from top to bottom into the move-in-ready property you see today. Sitting on 5.58 Acres with 2 original barns, & a 20' Connex container. This spacious 1,600 square foot home has been completely updated, including new doors, a new roof installed in 2023, new ceilings, & new flooring throughout. Major system upgrades include a new HVAC system with updated ductwork, new electrical wiring to the hot water heater, HVAC, stove, and dryer, plus a new electrical panel and new wiring from the pole. 31 recessed lights, new ceiling fans & light fixtures throughout. Both bathrooms fully remodeled with new fixtures. The kitchen features custom cabinetry, new countertops, double oven and gas stovetop. This beautifully updated home combines modern comfort with country charm and ample acreage—ready for its next chapter.

Mortgage buydown assistance will be considered with an acceptable offer.
