DESCRIPTION

Set within a small, exclusive enclave in Joshua ISD, this beautifully updated brick and stone estate-style home sits on a 1.08-acre corner lot, offering privacy, space, and refined comfort. Properties of this caliber; combining acreage, location, and extensive recent upgrades are increasingly rare. The thoughtfully designed 4-bedroom, 3-bath floorplan features 2 spacious living areas and 2 dining areas, ideal for both everyday living and entertaining. Recent investments include a brand-new roof, new coil in an HVAC system, fresh designer-neutral interior paint, and new carpet throughout, providing peace of mind and true move-in readiness. The kitchen and baths are finished with granite countertops throughout, while the expansive 3-car garage offers exceptional flexibility for vehicles, this stunning property also boasts a large additional structure, approximately 531 square feet, that could be storage, or a private workshop or 2-car garage. Step outside to enjoy a large, covered patio, professionally landscaped grounds, and trees — a serene outdoor setting with ample space to add a pool or create a custom outdoor retreat. Location is essential in the DFW Metroplex, and this property is situated just 13 miles from downtown Fort Worth, giving you a 15-minute commute to downtown, Fort Worth Stockyards, Sundance Square, and cultural hotspots such as Fort Worth Zoo with peaceful living. Offering acreage living, Joshua ISD schools, major system updates, and a multi-car garage in a refined, private setting, this home delivers long-term value and a lifestyle rarely available in today's market.
