DESCRIPTION

Elevated sunset views. Gated lakefront living. A protected cove setting. Welcome to 5523 Lakeshore Court — a 2022 modern farmhouse in the sought-after Woodland Shores community on Cedar Creek Lake. Set within a protected cove yet elevated to capture expansive west-facing water and sunset views, this 4-bedroom, 3.5-bath home offers both privacy and panoramic beauty. The open-concept living space is anchored by a floor-to-ceiling stone fireplace and a dramatic wall of windows framing breathtaking sunsets across the lake. The kitchen is built for gathering, featuring a gas 6-burner range, oversized island with seating, granite countertops, custom cabinetry, a walk-in pantry, and seamless flow into the main living and dining areas. The primary suite provides a private main-level retreat with serene lake views, a sitting area, dual vanities, spacious walk-in shower, and an expansive custom closet. Two additional bedrooms downstairs offer comfort and flexibility for family or guests. Upstairs, a generous bedroom with full bath functions beautifully as a bunk room, guest suite, or game room — all while enjoying sweeping lake views. A third garage bay has been thoughtfully converted into flexible living space, ideal for a home office, gym, or playroom, while the oversized two-car garage maintains ample storage. Step outside and experience true lake living with a covered dock featuring a remote-operated boat lift, lighting and aluminum flooring — designed for effortless days on the water and unforgettable evenings at sunset. Just minutes from dining, shopping, and entertainment, this nearly new lakefront home delivers the rare combination of modern construction, gated privacy, panoramic sunset views, and protected water access.
