DESCRIPTION

Situated on a private, tree filled corner lot in Grapevine, this beautifully designed split level home offers exceptional indoor and outdoor living with standout curb appeal. The inviting front entrance welcomes you in, while the garage is tucked away on the lowest level and positioned to the side for a clean exterior presence. The true centerpiece is the expansive outdoor living space designed for relaxation and entertaining. Surrounded by mature trees, the backyard feels like a secluded retreat. A saltwater pool with diving board anchors the space, complemented by a pergola, cozy firepit seating area, and a large outdoor dining area. Inside, an open concept layout flows from the front living area with a wood burning fireplace into the dining room with a built in buffet and serving hatch to the kitchen. The kitchen features a large gas cooktop framed in brick, double ovens, a generous eat in island, and a functional U shaped layout. Tucked behind the kitchen and above the garage, the family room offers a private retreat with a wet bar and fridge, along with direct access to the two car garage and utility room. The utility room includes a sink and added storage. The primary suite includes a spa like ensuite with double sinks, vanity area, jetted tub, and a large walk in shower. Downstairs also features a private office with its own bath and outdoor access. Upstairs offers a loft overlooking the living area, along with two bedrooms and a full bath. All bathrooms complete with updates. Blending privacy, character, and resort style amenities, this one of a kind home is a must see.
