DESCRIPTION

Tucked inside the exclusive gated community of Fairways of Walnut Creek, this remarkable golf course estate rests on a rare half-acre lot, offering sweeping views and exceptional design at every turn. A gated driveway guides you to a 2.5 car garage, an additional 1 car garage, and plenty of extra parking, offering both privacy and convenience. Inside, vaulted ceilings and rich wood flooring create an elegant yet welcoming ambiance. The home includes three spacious living areas, a private study, and an open-concept kitchen ideal for everyday living and entertaining. The kitchen features granite countertops, a large island with breakfast bar seating, a built-in refrigerator, microwave, gas cooktop and huge pantry. The downstairs primary suite overlooks the golf course and includes a cozy fireplace, a large bathroom with dual closets, and convenient access to the workout room. A second downstairs bedroom with its own bathroom and sizable closet would serve perfectly as an in-law suite or would make another great living area or second study. Upstairs, three additional oversized bedrooms each include private en-suite baths, offering comfort and privacy for family and guests. Step outside to a true backyard retreat, complete with a covered patio, pergola, expansive golf course views, and a thoughtfully designed pool area set apart from the main yard—ideal for both relaxation and recreation. A separate full bath also serves the pool area for added convenience. A recently replaced Class 4 roof provides added durability and peace of mind. Located within the highly sought-after Mansfield ISD, with schools just a short walk away, this home blends luxury, practicality, and an exceptional setting in one of the area's premier gated neighborhoods.
