NEW! NEVER LIVED IN. Recently Finished! Located in the Glenbrook community, this Bloomfield Homes Primrose VI is a bold two-story design offering 5 bedrooms, 4.5 baths, a private study, 2 dining areas, and a 3-car garage built to impress while supporting everyday living. The exterior makes a strong statement with classic brick and stone detailing, cedar garage doors, and an extended covered patio, while 8-foot doors on the first floor elevate the entry experience. Walking inside the wood flooring welcomes you through the entry and main living areas, leading into expansive spaces defined by vaulted ceilings in the family room and a dramatic stone-to-ceiling fireplace. The Deluxe Kitchen is designed for both entertaining and daily use, featuring built-in stainless steel appliances, double ovens, granite countertops, and generous prep and storage space that stays connected to the main living areas. Just off the entry, the study is enclosed with glass French doors, creating a quiet, defined workspace. A well-placed mud room near the garage entry, along with upper cabinets in the laundry room. The first-floor primary suite offers a spacious bedroom, large walk-in closet, and an upgraded bath with a linen closet, 2 separate vanities, and an enlarged walk-in shower. Upstairs, the layout opens to a large game room and a dedicated media room, along with 2 additional bedrooms each with attached baths that provide flexibility for family or guests. Additional highlights include a large grassed backyard, and a gas line at the patio for future outdoor cooking. Set in Glenbrook with convenient access to local amenities and outdoor recreation, this Primrose VI delivers space, style, and versatility in one impressive home.
