Welcome to your private slice of Texas Hill Country right here in DFW. Set on over 6 beautiful acres, this beautifully remodeled home blends modern finishes with peaceful country charm—offering space, flexibility, and endless possibilities. The main residence has been thoughtfully updated from top to bottom, featuring open, light-filled living spaces, durable wood-look flooring, fresh neutral tones, and stylish fixtures throughout. The gorgeous kitchen is a true centerpiece with crisp white cabinetry, granite countertops, stainless steel appliances, and an oversized island perfect for entertaining or everyday living. Spacious bedrooms and fully renovated bathrooms provide comfort and functionality, while the open-concept layout flows seamlessly into the living area, highlighted by a cozy stone fireplace. Adding incredible value is a newly constructed detached in-law suite, ideal for multigenerational living, guests, or rental income.
