DESCRIPTION

MLS# 21163628 - Built by Homebound - Ready Now! ~ Introducing The Mason - Homebound's latest floor plan in Dallas! Located in the desirable North Dallas Sparkman Club Estates neighborhood, the Mason is wrapped in our new Scandinavian Contemporary design package. Step into the foyer with soaring 20-ft ceilings, a curated home office retreat with French doors and decorative lighting. A guest bedroom with a separate bathroom on the right leads to a grand staircase. The heart of the home is the gourmet kitchen, featuring top-of-the-line JennAir appliances, double-stacked, rift-sawn white oak cabinetry, waterfall quartz countertops, a striking decorative vent hood, and a butler's pantry with an additional sink and a built-in wine fridge. The kitchen flows seamlessly into the dining area and great room, where a gas fireplace with a decorative custom cast stone surround creates a designer focal point. Faux box beams in the dining room and rafters in the primary suite add architectural interest, while oversized Anderson windows and doors bathe the space in natural light. The downstairs ensuite primary retreat offers vaulted ceilings, a spa-like bath, and a large walk-in closet. Four secondary bedrooms, a pre-wired media room with a built-in beverage fridge, and a media room provide flexible living space on the 2nd level. Thoughtfully curated finishes throughout include Delta plumbing fixtures, premium lighting and tile selections throughout. The Scandinavian Contemporary elevation blends clean lines, vertical siding, and warm tones for a modern yet cozy design. It's perfect for those who value light-filled, functional living. Enjoy indoor-outdoor living with a covered patio, plus a 1-2-6 builder warranty and a 3-year complimentary home automation package. Late-stage personalization available—buyers may still upgrade limited interior finishes!
