DESCRIPTION

Luxury, a Backyard Oasis & Golf Course Living! This thoughtfully updated home offers an ideal balance of sophistication, comfort, and location. The inviting exterior features manicured landscaping, circular driveway, and gated garage equipped with an EV charging port, while classic crown molding adds timeless appeal throughout the interior. The home has been updated with brand new carpet, freshly repainted inside, and new lighting creating a light, cohesive, move-in-ready environment. Designed with an open layout, the interior showcases engineered hardwood flooring, expansive living areas, and oversized windows that fill the home with natural light while framing peaceful backyard and pool views. All three full bathrooms have been completely renovated, offering modern finishes and a spa-inspired aesthetic. Outdoor living is enhanced by a private backyard oasis with a relaxing pool and waterfall feature, Polaris pool robot, new Hayward variable-speed pump, pergola, and an outdoor kitchen. Additional amenities include a dedicated golf cart garage for convenient country club access, recently replaced roof and HVAC systems (both three years old), elegant lighting fixtures, and generously sized secondary bedrooms.
