DESCRIPTION

Just steps from Rivercrest Country Club, this fully renovated and expanded 4-bedroom, 4.1-bathroom home offers 4,344 square feet of thoughtfully designed living space. Renovated by Randall Sears with interior design by Jessica McIntyre, the home blends elevated finishes with functional elegance. The main level features soaring ceilings in the foyer and living room, a showstopping kitchen with Taj Mahal quartzite countertops and full-height backsplash, top-of-the-line appliances including a Wolf range and built-in Jenn-Air refrigerator, and a full wet bar with wine fridge and ice maker. Enjoy everyday meals in the spacious kitchen dining area and host guests in the formal dining room that seats up to 10. The primary suite is a true retreat with a spa-like bath—complete with soaking tub, rainfall shower, dual vanities, and custom walk-in closet. A downstairs guest suite lives like a second primary. Automatic blinds add convenience throughout the main living spaces, along with a chic centrally located powder bath. Upstairs offers two additional bedrooms, two full baths (including an en-suite), and a versatile media room that could easily serve as a home office. A newly built rooftop deck expands the living space. Outdoor features include a private elevated courtyard, a side yard with artificial turf and a putting green, and a grassy backyard area perfect for pets. A two-car garage with fresh epoxy floors and bonus front parking completes this exceptional property.
