DESCRIPTION

Seldom does the the opportunity to own a custom home of this caliber come along! This home on 19 acres in Comanche County offers both privacy and beautiful views. Built in 2006, this 3,011 square foot residence sits on a hilltop, providing amazing views across the surrounding countryside and a sense of seclusion while maintaining convenient access to town and area amenities. The home includes three bedrooms, two full bathrooms, and one half bath. The primary suite features an ensuite bathroom and a large walk-in closet. Secondary bedrooms are connected by a Jack-and-Jill bathroom, offering flexibility and efficiency for family or guests. Interior highlights include a spacious, well-appointed kitchen with granite countertops, abundant cabinetry, and an open layout. Real Brazilian cherry hardwood floors add warmth and character throughout much of the home. The floor plan is designed for both comfortable daily living and entertaining. Property features an Austin stone exterior and a standing seam metal roof, providing durable, low-maintenance construction. The manicured and irrigated yard showcases established landscaping and creates a beautiful setting for outdoor enjoyment. A large covered patio offers an ideal space to relax, entertain, and take full advantage of the views. Properties offering this combination of acreage, hilltop views, quality construction, established landscaping, and proximity to town are rarely available. This property represents a unique opportunity for buyers seeking a well-built home, scenic setting, and long-term value in a rural location. Don't let this one get away, it is truly one of a kind!
