## DESCRIPTION

Set in the heart of one of Dallas' most desirable neighborhoods, this home brings together thoughtful modern design, resort-quality outdoor spaces, and an effortless single-story layout that's built for both everyday living and entertaining. Inside, the open concept floor plan is anchored by wide-plank white oak hardwood flooring, recently refinished in May 2025, and lined with oversized windows that flood each room with natural light. Four spacious bedrooms, each with a private en suite bath, offer comfort and privacy, while a separate media room and dedicated bar with built-in wine room make this home equally suited for lively gatherings or quiet evenings at home. Every detail was designed to elevate the living experience—from the architectural flow of the main spaces to the finishes that bring warmth and style throughout. Step outside to a backyard that truly impresses: an expansive covered patio overlooks the sparkling saltwater pool with cascading waterfalls, spa, and a linear gas fireplace that invites year-round enjoyment. The outdoor kitchen is fully equipped for dining and entertaining, framed by lush landscaping that creates a true sense of privacy and escape. Whether hosting a crowd or simply unwinding at the end of the day, this backyard feels like your own personal resort. Located in the heart of Midway Hollow, with unbeatable access to the best dining, shopping, and amenities Dallas has to offer, this is a home that delivers at every turn.
