DESCRIPTION

Highspeed internet and city utility convenience meets solitude in this Brownsboro estate, on 8 sprawling acres. Designed by Janey Angelo, cathedral-style architecture floods the interiors with soft natural light. Home features 4 beds, 3.5 baths, a mother-in-law suite, and an upstairs loft overlooking large game room. The master wing offers a bedroom with ensuite, walk-in closet, personal gym, and a private back entrance. The kitchen dazzles with custom features, double ovens, 6 burner gas stove, built in ice maker, walk in pantry, enormous granite island, and farmhouse sink overlooking the pool and pastures. Luxe upgrades include solid wood doors, built in cabinets and storage, surround sound, and a whole-home generator. Outside, an oversized covered patio leads to a heated pool, spa, and gazebo. The grounds include a pond, pastures, circle drive, a 3-car garage, EV charger, and a pole barn. Luxury extras like up-lighting, landscaping, and a stone gate entrance enhance its grandeur.
