DESCRIPTION

Tucked away in a truly private and unique neighborhood, 539 Lavena is a rare Keller find that offers exceptional space, privacy, and character on a generously sized lot. Designed to impress while remaining highly functional, this home features four spacious bedrooms, each with its own ensuite bathroom, making it ideal for families, guests, or multigenerational living. The living room is a true showstopper with incredibly tall, soaring ceilings and a beautiful accent wall that creates a dramatic yet welcoming focal point. Built-in wine storage tucked neatly under the stairs adds both charm and convenience, perfect for entertaining. The home also includes a front office with French doors, a dedicated media room with a dry bar for movie nights or game days, a mud room, and a downstairs half bath for guests. Outdoor living is just as impressive, offering a large backyard with ample space and privacy, a stone fire pit sitting area, a basketball court, and a covered patio complete with a built-in grill—ideal for hosting or relaxing year-round. A workshop with electric provides the perfect space for hobbies, projects, or additional storage. Additional highlights include a two-car garage and the peace and quiet of a tucked-away neighborhood that feels both private and special. Beautifully designed, highly functional, and truly one of a kind, this home offers something for everyone.
