DESCRIPTION

Steps away from Overton Park, this five-bedroom home is a blend of contemporary design and space to entertain. The kitchen boasts a huge gas cooktop, custom refrigerator-freezer, and double oven. The first-level primary bedroom is complete with a fireplace, built-in shelving, sliding door to the backyard, and ensuite bathroom. Four additional bedrooms on the second level; two bedrooms on each wing with a full bathroom in between. A large formal living room occupies the split space between first and second level. The game room is just above the second level with sliding door access to the backyard. And this backyard is ready for a party! Picture yourself cooking for your crew in the outdoor kitchen while your guests play in the pool or lounge on the deck. An abundance of seating and secluded, park-like setting help to make this backyard THE PERFECT SPOT to gather with friends. Zoned for desirable Overton Park Elementary and located in the Overton Park Neighborhood Association. Another bonus...living in this multi-level home will certainly allow you to achieve your stair climbing goals ever day!
