DESCRIPTION

The Aurora offers an elegant, spacious layout with the flexibility today's families need, including the **option for a fifth bedroom**. Designed with multi-generational living in mind, this home features **two bedrooms with ensuite baths on the first floor** and **three additional bedrooms upstairs**, providing privacy and comfort for everyone. A welcoming entry opens into a stunning two-story great room where the living and dining areas flow seamlessly into a beautifully appointed kitchen. Anchored by a large island, the kitchen becomes the natural gathering place for family and friends. A walk-in pantry with shelving on two sides keeps everything organized and within easy reach. Upstairs, an open loft overlooks the living area below and offers the perfect space for a playroom, media area, or additional lounge. The spacious primary suite features **dual walk-in closets**, ideal for storing both seasonal and everyday wardrobes. Practical touches throughout the home enhance daily living, including a convenient mudroom drop zone just off the garage—perfect for backpacks, coats, sports gear, and more. The Aurora blends style, function, and flexibility, creating a home that adapts beautifully to every stage of life.
